Ramping Up for you, Get ready '22

A wonderful warm welcome to 2022. As a new chapter begins for each of us, we would like to take this opportunity to wish you and your family a fresh start with renewed energy and confidence throughout the New Year.

Over the last few months we have been working tirelessly to bring new ideas and plans as to what we can do this year to give you an enhanced service. Many of you know how useful our **Virtual Experience** has been. Being able to make decisions at home - virtually assessing properties - has been a tremendous success for our clients and vendors. Both love the advantages that have saved time and cost, as clients fine-tune the property of their dreams.

In the pipeline for 2022 we have the following planned;

- Floor Plans to be included on every Virtual Experience listing,
- Cinematic Property Tours,
- Lifestyle and Location Videos,
- Video Newsletters,
- Plus a few more exciting ideas that we will keep secret for now!

Being the market leader in terms of technological advancements is a core mission of OliveHomes.com and passing on these benefits to you, our valued clients, gives us much excitement.

Every year seems to be giving us extra challenges to be safe, while at the same time we are reluctant to put our plans on hold. Our plans to improve and your plans to invest in Portugal, to improve the quality of your lives, go hand in hand and we are confident these new features will make it even easier to decide what's best for you.

We look forward to 2022 being a fantastic year and based on the number of new enquiries over the last two weeks it seems it will be another busy year. The team at OliveHomes.com are here waiting to help.
