PORTUGAL PROPERTY

OliveHomes.com made my Christmas!

During this year OliveHomes.com, real estate agent, has been running a fun competition for anyone willing to take their beer mats to far off destinations and take a picture. The prize was vouchers worth €500 to be spent in a shop or shops of your choice.

Pictured above is the winning entry by Nicole Nunes, from Vilamoura. Nicole took a picture of our beer mat in Krabi, Thailand while she took a longtail boat across Railay Bay. "It was rather a last minute thing", said Nicole. "I saw the beer mats in Vilamoura the night before I travelled and decided it was worth trying to win the competition".

David Rowat, Managing Director of OliveHomes.com said he was delighted with the number of entries and how difficult it was to choose a winner. "Ultimately, the location, being on the water and the simplicity of the picture helped us to decide". "Nicole's reaction was fantastic, she couldn't believe it!". Nicole added "It's made my Christmas".

Even though the competition was launched with just one winner in mind, OliveHomes.com also recognised its youngest entry from Violet, aged 4, giving her a second prize for her excellent effort.

Pictured below is Nicole at the OliveHomes.com office, being given her prize of €500 in Store Vouchers!

OliveHomes.com are likely to run the competition again next year so start planning!

Better luck next year your Majesty!
