## Off Plan Investments Part 5

### Off Plan Investment in Vilamoura

Welcome to the fifth instalment of investing in Vilamoura and taking advantage of the current off plan investments available to you. If you missed the previous newsletters then you can recap by following these links:

1. [Intro - Off Plan Investments - The advantages and disadvantages](#)
2. [Great value apartments with a beachside pool!](#)
3. [Townhouses and Apartments - Small luxurious condominium](#)
4. [Beautiful townhouses - close to new North West expansion area and international school](#)

Our latest recommendation offers roof-top pools, quality finishings, large penthouse terraces and a location that is the envy of most - walking distance to both the beach and the marina. Prices start from €685,000 for a two bedroom apartment, €995,000 for a three bedroom apartment and €1,580,000 for a four bedroom apartment.

The project stands out for its use of sustainable materials, including cross-laminated timber (CLT), which combines durability with eco-consciousness. This cutting-edge material provides the strength of concrete while significantly reducing the environmental impact, embodying the developer's dedication to sustainability.

Vilamoura is fast becoming the beacon for European and Worldwide investment as private investors jump on the back of corporate investors. Recognising that substantial changes will be happening over the next 2/3 years buying off plan means your apartment will be completed at the same time as the endless improvements to infrastructure.

### Testimonial Of The Week

Since first contact with OliveHomes.com it has been a painless process of discussing our needs and finding our holiday hope in Portugal. David was able to reassure us that he will handle everything even though we couldn't travel. Nothing is too much trouble. Happy to recommend.
