Europe's sunniest secret and a goldmine for property investors. Why the Algarve, that's a simple question to answer.

It's not just about stunning beaches or world-class golf courses—though there are plenty. It's about demand. Year-round tourism, a thriving expat community, and skyrocketing rental yields make this paradise a profit machine.

### Testimonial Of The Week

From start to finish, Mihaela was very competent, friendly and resolved any questions we had during the process. We would also add that unlike some agencies we never felt as though we were being pushed into anything.
