**A Legacy of Transformation:
Arrow Global's Vision for Vilamoura**

The Els Club Vilamoura is a testament to Arrow Global's exceptional vision and expertise in reimagining premier destinations. But this transformative golf course is only part of a larger strategy to elevate Vilamoura as Europe's ultimate hub for luxury living and leisure.

Arrow Global: A Trailblazer in Asset Management

Since 2005, Arrow Global has earned its place as a trusted name in European asset management. With a portfolio valued at billions of euros, their focus extends across a variety of sectors, including:

Real Estate Development:

Creating upscale residential and commercial properties in sought-after locations.

Hospitality Investments:

Revitalizing and managing iconic hotels, resorts, and golf courses.

Sports and Leisure Assets:

Delivering world-class experiences through innovative design and exceptional service. Arrow Global's holistic approach ensures every project aligns with their commitment to quality, sustainability, and long-term value creation.

Highlights from Arrow Global's European Portfolio

Iconic Properties Across Portugal:

Arrow Global manages a range of high-profile assets in Lisbon, Porto, and the Algarve, blending heritage with modern design.

Innovative Hospitality Ventures:

From luxury hotels to fine dining establishments, their hospitality projects redefine standards of excellence.

Sports and Recreation Investments:

Arrow Global's golf courses and leisure facilities, including The Els Club Vilamoura, have become benchmarks in their industry.

Vilamoura: The Jewel of the Algarve

Arrow Global's acquisition of the Victoria Course in 2023 marked a bold step in their mission to transform Vilamoura into a global icon of luxury. Their long-term investment strategy includes:

Residential Developments:

Exclusive villas and apartments that combine modern elegance with the natural beauty of the Algarve.

Enhanced Amenities:

From five-star dining and boutique shopping to health and wellness centres, Vilamoura is poised to offer an unmatched lifestyle.

Cultural Integration:

Plans to incorporate local art, history, and culture into their developments, enriching the region's appeal to international visitors.

The Els Club Vilamoura: A Flagship Project

The Els Club Vilamoura is the crown jewel of this vision—a first-of-its-kind private members' club in Europe, bringing together the legendary design expertise of Ernie Els and Arrow Global's commitment to luxury experiences.

"When you work with a team that shares your passion for excellence, you create something truly timeless," says Els. Together, they are crafting not just a golf course, but an experience that will elevate the Algarve's status on the global golfing stage.

At the heart of Arrow Global's vision is The Els Club Vilamoura—the first Els Club in Europe and the Algarve's first private members' golf club. This landmark project redefines the golfing experience with:

- Championship-level design by Ernie Els and his award-winning team.
- Privileged access for Founder Members.
- A commitment to sustainability and environmental excellence.

"Vilamoura is a unique destination with unlimited potential," said Arrow Global's spokesperson. Through thoughtful investment and visionary partnerships, we are creating a legacy that combines luxury, sustainability, and community."
