A Big Welcome to our Virtual Clients

OliveHomes.com were proudly invited to represent Portugal at the recent **Your Overseas Home Virtual Event**, held last weekend. An incredible total of over 3000 clients were part of the show and they were able to interact with various experts based in Portugal including lawyers, residency experts, accountants and, of course, ourselves.

Our Managing Director, David Rowat, gave a presentation on where to buy in Portugal, how to buy and what to buy? Following the presentation, we had an open chat forum and a huge number of clients were able to ask further questions specific to their circumstances.

These future clients have subscribed to our mailer and we are now writing to welcome you to OliveHomes.com and thank you for taking part in the event. We are already planning many trips and look forward to talking to you, if you've not contacted us yet. We will get to you as soon as possible.

Don't forget that, while you wait, you can take advantage of our unique 'Virtual Experience' on many of our properties. We embrace modern techniques by using the best technology allowing you to explore every part of the property before even putting a foot in Portugal.

We bring properties to life with immersive experiences that are more than virtual tours. See Photo galleries, 360° panoramas and fly-through videos giving you the feeling that you are here. We just can't give you the sunshine on your face! [For more information click here.](#)
