## A Week Of Wonderful Listings

This week has been quite shocking, surprising and somewhat unusual! We have managed to pick up some new listings that are hard to find and hard to beat. Some are exclusive to us, some are really good value and some have just the best locations. And some might have it all! One thing is for sure - they will not be for sale for long. This week we have dedicated our mailer to our NEW listings and they deserve centre stage!

Correct as at 1st September 15:00.
