Olive Homes increases investment in Al-Sakia Village - Fonte Santa!

As you already know through personal experience or by reading our many testimonials and google reviews, at olivehomes.com we always put our clients and vendors first and constantly work hard to stay ahead of any competition in terms of our after sales care, and our innovative and cutting edge technology and marketing systems.

It is our passion and our delight to make our clients and vendors happy. Complete customer care is our ethos.

In order to add more space, diversity and opportunity to our already amazing high tech marketing systems we are expanding our head office in Fonte Santa, purchasing an additional office in the charming complex of Al-Sakia Village.

We will announce the official opening in the very near future!

We love our neighbourhood at Al-Sakia, it really is a friendly oasis of tranquilly and charm in a very convenient location. With the Tiramisu restaurant in the heart of this community it is a great place to work and live. Fonte Santa has access to some stunning beaches, lots of great restaurants and supermarkets plus easy access to Amancil, Loule and Vilamoura.

This week we put the spotlight on some superstar properties in Fonte Santa, which still offers great value for

money.
