THE BOYS ARE BACK IN TOWN!

Portugal has it all, and now it also hosts the MotoGP this weekend at the Portimão autodromo. Get your tickets and have a great day out.

Previously the circuit was only deemed good enough for the SuperBikes, but since covid, it now proudly hosts the MotoGP too, and the very first race at our local track in 2020 was won by our very own Miguel Oliveira, on the second team KTM but that win secured in place in the factory team through to 2022!

Miguel known to his colleagues as Einstein as he is such an intelligent and well educated chap. He is also a brilliant and passionate rider, as well as an all round lovely bloke.

This year 2023 however, Miguel rides with RNF Racing and Aprilia and we wish him well.

An excellent company to deal with. Monica and David kept us fully informed throughout the selling period and always responded quickly to any queries by email or whatsapp. I would have no hesitation in recommending their service.
