How creative can you get with a beer mat?

**Get ready for a global adventure with
Olivehomes.com!**

We're excited to announce a new competition where you can show off your creativity by taking our beer mats on a journey around the world.

See below how you can participate and win big!

For all followers and fans of OliveHomes.com!

After seeing our beer mats in London (it's a long story!), we thought it would be a fun challenge to see where or how our beer mats could be seen/used in the most creative, amazing and unusual locations/situations across the world.

Just pick up a beer mat from our office or from the many locations, in and around the Algarve, take it on your travels and post/tag your images to our [Facebook](#) page and then we'll pick a winner at the end of the year*

Winners need to have also liked our [Facebook](#) page so make sure you qualify! Sounds fun? We hope it will be and the winner will receive a voucher of **€500** to spend in your chosen store.

We will also post entries on our webpage so you can vote for them if you wish!

The winner will be chosen by vote at our Christmas party!

Now, grab your OliveHomes.com beer mat and let's party!

But remember, some entries may be quite hard to beat like the example below
