## What's new and happening in Vilamoura?

Roll up roll up! The 2023 Boat Show of Vilamoura Marina is happening from 10th to 18th June, from 11am till 9pm.

Supported by the council of Loulé and organised by the Marina of Vilamoura, this is the 26th edition of the show, which has been held since 1997.

The last show reportedly brought 80,000 visitors to Vilamoura, over 100 boats, over 50 brands and 30 exhibitors.

Vilamoura is the largest marina in Portugal and entrance for the boat show is free of charge. Come and splash out on a new boat or just enjoy the wonderful atmosphere! You'll love it.

Here are some of the best things about Vilamoura:

1. **Marina:** Vilamoura Marina is the heart of the town and one of the largest and most modern marinas in Europe. It is filled with luxury yachts, restaurants, bars, and shops, creating a vibrant and lively atmosphere.
2. **Beaches:** Vilamoura boasts beautiful sandy beaches with clear waters. Praia da Marina and Praia da Falésia are two of the most popular beaches in the area, offering sunbathing, swimming, and various water sports activities.
3. **Golf Courses:** Vilamoura is a golfer's paradise, with several championship golf courses in the vicinity. Golf enthusiasts can enjoy world-class courses like Victoria Golf Course, Old Course Golf Club, and Millennium Golf Course.
4. **Sports and Leisure:** The area provides plenty of opportunities for outdoor activities. Apart from golf, visitors can indulge in tennis, horse riding, cycling, and water sports like sailing, jet skiing, and parasailing.
5. **Nightlife:** Vilamoura offers a vibrant nightlife scene with a wide range of bars, clubs, and entertainment venues. The marina area is particularly lively in the evenings, offering options for both relaxed drinks and late-night dancing.
6. **Dining:** The town has a diverse culinary scene with a variety of restaurants and eateries. From traditional Portuguese cuisine to international flavors, visitors can savor a wide range of dishes to suit their tastes.
7. **Casino Vilamoura:** For those who enjoy gambling and entertainment, Casino Vilamoura provides a stylish venue with a variety of gaming options, shows, and live performances.
8. **Nature and Parks:** Vilamoura is surrounded by natural beauty. Nearby attractions like Vilamoura Natural Park and Rocha da Pena offer opportunities for hiking and exploring scenic landscapes.

Vilamoura grows from strength to strength attracting more tourists each year. Importantly it also improves its infrastructure to cope with the influx and to provide valuable resources for its residents. Examples of this are;

The new Private Hospital by Luisadas. The renovation of the building is well underway and is scheduled to be complete at the end of this year. It will include new equipment to the value of €6m, over 20 consultation rooms, surgery/treatment rooms and create 250 new jobs.

The new Pingo Doce supermarket will, surprisingly, be the first large-scale supermarket to be opened in Vilamoura. Up to now there have been 5 or 6 small supermarkets operating in Vilamoura but now the need to leave the town for a 'big shop' will no longer be necessary.
