

**MOTOR VEHICLES AND ROAD TRAFFIC LAW
NEW REDEFINITION (AMENDMENT) OF THE FEES PAYABLE FOR DRIVING LICENCES TOGETHER WITH
MOTOR VEHICLE REGISTRATION AND LICENSE FEES.**

The Turkish Republic of Northern Cyprus's Council of Ministers, using the powers given it by article 4 A of the Motor Vehicles and Highway Traffic Law, makes the following Regulation (Bylaw).

Short name

1. This Regulation is to be named as the New Redefinition (Amendment) of the Fees Payable for Driving Licences together with Motor Vehicle Registration and License Fees. And it is to be read below, together with the New Redefinition of the Fees Payable for Driving Licences together with Motor Vehicle Registration and License Fees being the aforementioned, as the "Principal Regulation."

2. The Council of Ministers, using the permission granted by Article 4A of the Motor Vehicles and Road Traffic Law, redefines the fees specified in Annex I, Section I and Section II under the 5th article of the Law, as follows.

3. This Regulation comes into force on 1 January 2020.

I. With regard to the application of registration and licensing fees specified in this section, vehicles used for the purposes specified below are considered as Private Motor Vehicles:

- (1) Vehicles used for the free transportation of employees in the service of the vehicle owner.
- (2) Vehicles used to carry free passengers, goods and cargo in relation to the work of the vehicle owner.
- (3) "Z" rental motor vehicles.
- (4) Motor tractors used other than for agricultural purposes and vehicles on caterpillar tracks.

II. REGISTRATION AND LICENSE FEES OF MOTOR VEHICLES

(1) Motor Vehicle Registration Fees,

(A) On the basis of the customs duty charged for the importation of the vehicle.

(B) Vehicles in use before the 1974 Peace Operation that are still within the borders of the TRNC but are still not registered or have not had their registration renewed;

A Committee composed of the representatives from the Ministry of Transport, the Customs and Excise Department, the State Real Estate and Materials Department, and the Directorate of the Highways Department Responsible for Transport Affairs is to determine its value after examination by the Motor Vehicle Inspection Inspectorate in accordance with the rates or amounts shown in the table below:

In the event that all motor vehicle license fees specified in Section (2) are renewed for six months, the annual fee is calculated with an increase of 20%, and 50% of the figure is applied as a license fee every six months.

III. GENERAL RULES

Regardless of the rules of this Law;

- (A) (2) Motor Vehicle License Fees under the heading "Motor Vehicle Registration and License Fees" of Section I above.
- (a) For those belonging to one-year or the first six-month periods, payment is made by the last day of the month in which the vehicle is registered.
 - (b) For those belonging to the second six-month period, payment is made by the last day of the month when the first six-month license ends.
 - (c) Fees for Motor Vehicle Dealer Licenses or Second-hand Motor Vehicle Dealer Licenses are set forth in the "Driving License Fees" Sections II, II and III below;
 - (i) One month for new entrants,
 - (ii) For those who have been in operation for a long time, payment is to be made within one month following the month the license date expires.
 - (ç) Registration fees are paid at the latest within one month from the date of customs procedures of imported motor vehicles and customs clearance are completed.

If the fees specified in subparagraphs (a), (b), (c) and (d) [ç] above are not paid within the payment periods, they are collected together with a late fee in accordance with the Law on the Collection Procedure of Public Receipts.

However, in accordance with subparagraph (d) [ç], if the motor vehicles that have not been registered but registered before the effective date of this Law are made within one month from the effective date of this Law, no late fee will be applied.
- (B) For the period that a registered motor vehicle is unlicensed, where the legal fee is not paid to the registrar; or
- (a) In case the owner of the motor vehicle does not present a written notice before s/he makes an application for the vehicle to be registered, stating that s/he does not intend to use the vehicle until it is registered,
 - (b) Unless the registrar approves that all necessary measures are taken to seal or immobilise the vehicle or is not satisfied with regards that during this period the vehicle had not being used or the engine had not been turned on in any way; It is illegal to grant licence to that vehicle.
- (C) (a) To this end, invalids claiming it to necessary to drive a specially equipped motor vehicle should apply in writing to the Registry with the "Referral Document" to be issued by the Registrar and supported by a decisive report from the appropriate State Health Boards stating that "A MOTOR VEHICLE WITH SPECIAL EQUIPMENT MUST BE USED"; prior authorization to be given by the Registrar for persons with a physical disability in a way to satisfy the registrar that the vehicle is to be used by persons with disabilities;
- (i) Vehicles of this type and class that are to be imported, provided that they are specially manufactured motor vehicles with engine power not exceeding 1600 cc., are exempt from the fees shown in this section of this Annex.
 - (ii) For specially equipped (ramp and / or crane) motor vehicles whose engine power is greater than 1600 cc and less than 2500 cc, exemption from payment of fe(/&=)es as shown in Annex I is to be applied.

However, this exemption is disabled, if it applies to a single motor vehicle that is used by someone solely for himself. It is mandatory to have a special sign on the front and rear windows of motor vehicles registered and licensed for this classification in the shape and size to be determined by the Registrar.

- (b) Specially equipped (ramp and / or crane) motor vehicles and whose motor power does not exceed 1600 cc that will be imported as specified below and meet the conditions stated in Table III: Schedule III of Article 10 of the Customs Tariffs Act are exempt from the fees shown in this Annex.
 - (i) Motor vehicles to be imported by families of people with Spastic (Cerebral Palsy) and Down Syndrome
 - (ii) Motor vehicles to be imported by the Visually Impaired and the families of the mentally disabled
 - (iii) Motor vehicles to be imported by physically disabled persons with neurological illnesses and their families
- (c) Motor vehicles with special equipment (ramp and / or crane) to be imported as specified below and whose engine power is greater than 1600 cc and less than 2500 cc and to be imported according to the exemption conditions in paragraphs (C) and (D) of Tariffs Schedule Article 10 Law are exempt from paying the fees shown in section I of this Annex:
 - (i) Motor vehicles to be imported by families of people with Spastic (Cerebral Palsy) and Down Syndrome
 - (ii) Motor vehicles to be imported by the physically disabled due to neurological diseases or by their families
- (Ç) In accordance with subparagraph (A) under the heading "Second Hand Motor Vehicle Registration Fees", "(2) Motor Vehicle Registration Fees" of this section of this Annex, private vehicles powered by petrol or other fuel that are registered for the first time in the Turkish Republic of Northern Cyprus, starting from the beginning of the first month:
 - (a) In the case of five years, the amount of the fee determined for the said motor vehicle decreases by 15% (fifteen percent);
 - (b) If it is more than ten years, it is reduced by 40% (forty percent); and
 - (c) For fifteen years, it is reduced by 60% (sixty percent).
- (D) Traffic license,
 - (a) (i) Regardless of whether it is registered in the Turkish Republic of Northern Cyprus, for motor vehicles that have been manufactured before 31.12.1983 and been operating in the Turkish Republic of Northern Cyprus for at least 3 years and used at least 3 times a year in social activities that are recognized as a classic vehicle by a classic vehicle club or association and approved by the Antiquities and Museums Department,
 - (ii) or, regardless of the registration date in the Turkish Republic of Northern Cyprus, for motor vehicles that are to be imported by the Northern Cyprus Automobile Association or the Northern Cyprus Automobile Club and / or sponsors with the status of specially prepared rally vehicles a 65% (sixty five percent) reduction is to be applied.
 - (b) (i) for "Z" rental motor vehicles
 - (ii) for motor vehicles registered to Driving Schools as specified in Article 14 of the Regulation on Principles and Criteria Regarding Driving Schools and used in driving education and driver exams,
Up to ten years old, a 30% (thirty percent) reduction is applied.

However, for motor vehicles older than ten years specified in subparagraphs (i) and (ii) of subparagraph (b) above, the rules specified in subparagraph (b) and (c) of subparagraph (Ç) above apply.
- (E) (a) In addition to registration fees for registration renewals for motor vehicles whose registration has been cancelled, traffic license fees accrued from the first period of the registration fee until the time applied for renewal registration, pursuant to the Public Receivables Collection Law, are to be collected together with a late fee.

However, the period during which the traffic license fee is not paid and the period during which the registration is applied for renewal cannot exceed 10 (ten) years under any circumstances.

- (b) Motor vehicles such as this are not counted as motor vehicles registered for the first time in the Turkish Republic of Northern Cyprus, and the current year traffic license fee is calculated by applying the discounts specified in (Ç) above. For motor vehicles whose registrations are renewed more than once, the last registration renewal date is taken into account when calculating the discounts to be applied to the current year license
 - (c) In the renewal of the registration of the classic motor vehicles registered with the Northern Cyprus Classic and Sports Car Club and the Turkish Cypriot Classic Car Association (provided that they present the ID card of the club or association), fees for the previous years are not collected in addition to the traffic license registration fee. For classic motor vehicles whose license has been renewed more than once, in calculating the current traffic license fee the date that it was first registered in the Turkish Republic of Northern Cyprus is to be used.
- (F) A person applying for motor vehicle registration is obliged to pay before registration the traffic license fee starting from the first day of use of the vehicle up to six months (including six months).
- (G) Left hand drive vehicles which are registered or those which netered temporarily should carry a sign, paid by the owner of the vehicle, in a shape and size determined by the registrar reading "Left Hand Drive Vehicle", on the right bottom side of their front and rear windows.
- (H) Motor vehicle owners pay a 5% (five percent) discount on the traffic license fee for the period following the fourth period in which payment have been made without a late fee and if the ownership of the vehicle they use has not changed for four years. Provided that the ownership of the vehicle used does not change and the traffic license fee is paid regularly, the discount allowances are to continue in the following periods.

MOTOR VEHICLES AND ROAD TRAFFIC LAW

Regulation in accordance with Article 5

The Council of Ministers, by using its authority according to the Ninth Clause in the 5th Article of the Motor Vehicles Highway and Traffic Law, makes the following Regulation:

1. This Regulation is referred to as the Motor Vehicles and Road Traffic (Amendment) Regulation and is read in conjunction with the 1974 Motor Vehicles and Road Traffic Regulation, referred to below as the "Basic Regulation".

Amendment to Article 63 of the Original Regulation

2. In the Original Regulation, Article 63, Clause 8 shall be amended by removing paragraph (a) and changed to the following paragraph (a):

- "(a) The terms of liability concerning the first removal of a damaged motor vehicle as follows:
- (i) for vehicle removal by towing within all municipal borders
TL 187.
 - (ii) for vehicles towed up to 8 kilometers, excluding all municipal
Boundaries 375 TL
 - (iii) for vehicles towed over 8 kilometers
22 TL per kilometer
 - (iv) for vehicles removed by crane lifting within all municipal borders
290 TL
 - (v) for vehicles removed by crane outside all municipal
boundaries up to 8 kilometers 450 TL,
 - (vi) for vehicles removed by crane for more than 8 kilometers
32 TL, per kilometer.
 - (vii) for vehicles removed under police protection,
32 TL for every twenty-four hour period or part thereof.

This Regulation comes into force beginning on 1 January, 2020.

3. LAW (SUPERVISION) CONCERNING TRANSPORTATION OF PASSENGERS AND GOODS

Regulation made under Section (Article) 22

The Council of Ministers, by using its authority according to the 4th Clause in the 22nd Article of the Law concerning the transportation of passengers and goods, makes the following Regulation:

This Regulation is to be named Regulation (Change) of fees for transporting passengers and goods by motor vehicles, and is to be read together with the Regulation of fees for transporting passengers and goods by motor vehicles known below as the "Original Regulation."

Change to Article 2 of the "Original Regulation."

2. Removal of Article 2 of the "Original Regulation" and in its place a new Article 2 as outlined below:

2. License fee of 425 (four hundred and twenty-five) TL per year for the permit given in accordance with the Law concerning the transportation of passengers and goods, to be paid on the day the permit is given or renewed.

3. This Regulation comes into force beginning on 1 January, 2020 Fees for passenger and goods transportation license and replacement 50/2000

A fee of 115 (one hundred and fifteen) TL is to be paid as a replacement or search fee for lost or damaged permits.
